

## **Columbia Metropolitan Convention Center COVID – 19 Guidelines**

- **FACE COVERINGS REQUIRED:** All visitors wishing to gain access to the Columbia Metropolitan Convention Center are required to wear face coverings. Please make sure this is communicated to all those attending and working your event. If someone does not have his or her own, a mask can be provided by the venue. We appreciate your understanding as we do our best to keep all staff and attendees safe & healthy.
- **TEMPATURE CHECK:** Station for temperature check to be located at facility entrance. All clients, visitors and vendors must go through the temperature check station prior to entering the building.
- The safety of our guests & staff is our number one priority & proactive measures have been taken in response to a rapidly evolving situation. The CMCC is adhering to guidelines from the CDC regarding disinfecting and sanitizing all inventory and rooms prior to your arrival.
- We continue to urge our clients and attendees to take health precautions including washing hands regularly and observing social distancing.
