

ATLANTA PDC COVID-19 GUIDELINES

1. Everyone entering the building is required to have a face mask covering their mouth and nose.
2. Platinum, DPVA, South East Staging staff entering from the Loading Dock on Friday will be temperature checked at the Loading Dock prior to entering the building. Other staff entering the building through the Lobby prior to you setting up your Temp Check location will be Temp Checked in Building 2, Floor 2 Lobby.
3. A Platinum Dance temperature check staff person will monitor all attendees during the hours you will be active on AmericasMart's campus.
4. Wrist bands of a different color each day (3) of your program to be applied to each attendee, vendor and staff member signifying they have passed a temperature check of less than 100.4 degrees.
5. All attendees and staff must wear CDC recommended cloth face masks that covers the mouth and nose while they are inside AmericasMart facilities. Plastic face shields are acceptable, however AmericasMart requires that a cloth face mask must still be worn underneath the shield.
6. Dancers are always to wear face masks – including while attending classes, except for the time they immediately go on stage for performances. They are required to re-apply their masks immediately once they depart the stage.
7. AmericasMart has set the contracted space in accordance to CDC recommended specifications of social distancing. Platinum Dance personnel will encourage all attendees to remain socially distanced by not reconfiguring seating and to remain 6' apart.
8. To limit the period that attendees would be without a mask, all food and beverage must be consumed in the "Vending Area" located in 4th Floor Pre-Function Space adjacent to the Passenger Elevator Lobby. Water will be sold in the vending area and it is requested that attendees – including dancers consume this and other food and beverage in the vending seating area – or taken outside.
